

VIRTUAL REALITY STUDIO

10.00 am to 5.00 pm

Step into a world of limitless possibilities with virtual reality (VR). Immerse yourself in stunning, computer-generated environments that transport you to new dimensions of entertainment, education, and exploration. With state-of-the-art head-mounted displays and interactive controllers, VR provides a truly immersive experience that engages your senses and sparks your imagination.

SCIENCE ON SPHERE

10.00 am to 5.00 pm

The Science on Sphere (SOS) is a spherical display system, which shows animated images of geographical features of Earth including its geology, climate, rainfall, environment etc on 'viewing from space' perspective. It is extremely useful for students to understand Earth science and astronomy in most lucid manner possible.

ONLINE BOOKING FACILITY

Kindly login to : www.kstmuseum.com
Advance booking facility is also available at Ticket counter

Holidays All Mondays, First and Second Onam, Mahanavami, X'mas, Good Friday and Attukal Pongala

SUB CENTRES

- Kerala Science City, Kottayam
- Regional Science Centre, Chalakudy
- Regional Science Centre, Parappanangadi

AVAILABLE FACILITIES AND TICKET RATES

Museum Galleries & Science Park

Timing : 10 am to 5 pm

Ticket Rates

Adult : Rs. 50/- per head
Child : Rs. 30/- per head

Available Galleries

1. Popular Science
2. Aerospace
3. Electronics
4. Automobiles
5. Astronomy
6. Mini nuclear
7. Computer
8. Electrical & mathematics

3D Theatre

Show Time : 10 am to 5 pm

Adult : Rs.50/- per head
Child : Rs.30/- per head

Virtual Reality Studio

Time : 10 am to 5 pm

Adult : Rs.50/- per head
Child : Rs.30/- per head

Laserium & Musical Water Fountain

Show Time : 7.00 pm

Adult : Rs.50/- per head
Child : Rs.30/- per head

Planetarium

Show Time : 10.00 am, 3.00 pm, 5.00 pm (Mal), 12.00 noon (Eng)

Ticket Rates

Adult : Rs. 90/- per head
Child : Rs. 45/- per head

Science On Sphere

Show Time : 10 am to 5 pm

Adult : Rs.50/- per head
Child : Rs.30/- per head

Driving Simulator

Time : 10 am to 5 pm

Adult : Rs.50/- per head
Child : Rs.30/- per head

Night Sky Observation

On every Thursdays & Fridays

Time : 7.00 pm

Adult : Rs.50/- per head
Child : Rs.30/- per head

Astrovan

Night sky observation

School, Colleges & Residential Areas :
Rs.1000/- per day

SCIENCE MUSEUM AT A GLANCE

The Kerala State Science & Technology Museum, (KSSTM) Thiruvananthapuram is an Autonomous organisation, setup by the Government of Kerala in 1984, to serve as a dynamic medium of science communication for the public and inculcating a sense of inquiry and scientific temperament in the minds of the young. This is also a study cum reaction centre and an important tourist attraction.

PRIYADARSINI PLANETARIUM

This is the most sophisticated and versatile Planetarium in India. The Planetarium reveals the wonder worlds of astronomy.

- » First Hybrid Planetarium in India with tilted, 17 metre diameter dome.
- » Provision for projecting starry night sky of any location of earth at any point of time using high versatile Opto-mechanical projector.
- » Immersive experience using full dome digital projector.

Educational Outreach Activities

The KSSTM organizes various outreach activities for the students of Govt. & Govt. Aided schools in Kerala with a view to popularize science and scientific temperament among young minds.

- Astrovan with Computerized Telescope
- Science Seminars and Public Lectures

3D THEATRE

The museum has at present 8 Galleries communicating basics science and advanced technologies to common people through its various interactive exhibits. The Electronics gallery, Popular science gallery, Space gallery, Astronomy gallery, Mathematics and Robotics corner, Electrical engineering gallery etc. The Science park with evolution park, Medicinal plant garden, Butter fly park, Cactus park, Dinosaur park and Interactive Science Exhibits are the other major attractions. The Museum also houses a hybrid planetarium which aids in astronomy studies and a Science On Sphere (SOS) which facilitates Earth Studies. Facilities like Musical water fountain with Laser Show, 3D Theatre, Astronomical Observatory etc also add colour to the visitor experience.
